SECRETARY'S BOARD REPORT

February 2020

SECRETARY'S UPDATE:

As January 2020 was a busy month with DOC leadership meetings as well as division meetings on topics such as:

- Wellpath contract amendment for on-site chemotherapy
- Entegrity meeting regarding Solar
- Specialty Court funding
- Pulaski County Jail reentry program
- RLUPA
- Standard Parole conditions
- State resources for Vo-tech

The Secretary attended the American Correctional Association Conference and chaired the Performance-Based Standards meeting where the Correctional Leaders Association was also assembled.

The Tucker, Benton, and Wrightsville Units were all reaccredited at the conference!

Chief of Staff Solomon Graves attended the American Probation and Parole Association (APPA) meeting during January.

Transformation continues to be a work in progress and the report on Department policies was submitted to the Governor's Office.

Martin Luther King events were attended, including the prayer breakfast at the Governor's Mansion where the Governor thanked employers who are hiring offenders released from prison.

Staff attended a meeting that Sterling

Penix of the Criminal Detention Facilities Review Committee held with LaSalle regarding the proposed regional jail.

The Department staff spent another half-day with VIP2 on the Department's goals, values, and mission statement which was then sent to staff via email along with a satisfaction survey!

The Secretary toured the Omega Unit in Malvern and attended the Division of Correction's 2019 Pinnacle Awards dinner and ceremony.

Chief of Staff Graves represented the Secretary at the beginning of the current PPO Academy class. The Secretary will be the keynote speaker during the graduation ceremony for the class on February 28.

Largely, the focus has been on the vocational program with the retirement of Riverside's Director. We have met with ASU, Cody Waits with the Office of Skills Development, and viewed the Future Fit Program. Future Fit is a resource available in the community at no charge to participants looking for employment or for those who are underemployed.

POLICY:

During the month of January the following secretarial policies were issued:

- Secretarial Directive 20-01 Dress Code for Non-Uniformed Personnel (Effective: January 2, 2020)

INFORMATION TECHNOLOGY:

INMATE TABLETS – Within the **Division of Correction**, a total of 2,740 inmate tablets were leased during January.

INMATE VIDEO VISITS – Inmates completed 4,823 video visits during the month and missed 136 within the **Division of Correction**.

DIS DATACENTER OPTIMIZATION (DCO) PROJECT – A meeting was held that included a discussion concerning Service Level Offerings regarding Disaster Recovery and different proposed support-level tiers. Much of the conversation pertained to the three proposed levels of service and six proposed tiers of disaster recovery services offered by DIS. Departments or Divisions will have the option to select the level of service DIS will provide once servers and applications are moved for DIS hosting.

CYLANCE – At the request of DIS and to protect against network security threats, work is underway to remove McAfee and install Cylance Endpoint protection on all department computers. Currently, there is a total of 3,463 endpoints on which Cylance has been successfully installed. Out of more than 3,000 of those endpoints, 2,860 are reporting to the server. Those not currently reporting will require a reboot.

DIVISION OF COMMUNITY CORRECTION DOMAIN CONTROLLER – A new domain controller was built to replace the failing controller at DCC Central Office. Work was done to remedy issues caused from the failing controller. Users were unable to authenticate and log onto the network during the failed period.

IT WORK ORDER SYSTEM – Three Help Desk and Asset Management software solutions were reviewed as a possible replacement for the current system in the IT Department.

- **Service Desk Plus (ManageEngine)**
 - Set up trial version in the cloud
 - Added technicians and permissions

- Imported assets from TMS
- Created/closed test tickets
- Tested reporting functions
- Set up email alerts
- Created work orders

- **ServicePRO**

- Online demo with sales team
- Set up trial version for testing (in-progress)

FUELMASTER – Fuelmaster software was updated on the server as well as all clients given access to the latest version. Work continues with Syntech to make the pumps at ORCU operational with Fuelmaster. Completion of firmware updates remain on the Pine Bluff Unit and Tucker Fuelmaster units.

COMPUTER MIGRATION FROM THE DIVISION OF COMMUNITY CORRECTION TO THE DIVISION OF CORRECTION DOMAIN – Prior to migration, each site is prepped to include either a new imaged computer or a new imaged hard drive installed with a minimum of 8GB ram. The status box identifies proposed dates for migration. The date may change depending on the time required for migration for each office or facility. Sites that have been changed from the DCC network to the ADC network are identified as completed. Sites that are identified as pending DOC circuit are not currently on the DCC domain. Data circuits are necessary for connection to the domain and central management.

See chart on Page 12 for computer migration status.

RESEARCH AND PLANNING:**TRAINING:**

DCC Research and Planning Staff conducted eOMIS training for new users.

ADC Research and Planning Staff conducted the following training sessions: eOMIS Basic, eOMIS Incident, eOMIS Security, and Remote Access Training.
